# Sleeps 4!

**4 SINGLE BEDS... or 2 DOUBLE BEDS!**

*How's this for comfort and convenience . . .*

Extra-width double door (with fixed window) for easy entrance and exit.

Luxurious mattresses.

Generous wardrobe accommodation.

Ample storage space for bedding and provisions.

Roomy working area for cooking, preparing food, etc., (wash basin included).

Large opening windows in each side and forward end.

Folded and extended locking facilities for maximum security.

Joints kept to the minimum, adequately sealed and completely weatherproof.

The **PORTAFOLD** is constructed of reinforced glass fibre—strong, durable and requiring no maintenance. Mounted on a sturdy steel chassis and fitted with independent suspension, automatic braking and 2" towing ball hitch, it has been designed to the highest engineering standards.
